Software development & hosting

PROJECT

Boundary Café POS & Ordering System

Cloud-hosted restaurant POS, inventory and online ordering

01 • SUBSCRIPTION PLANS

Choose a base plan

Plans are billed per branch. Every plan is fully hosted, with hosting, SSL, updates and backups included, so there are no servers to buy or maintain. Staff accounts are unlimited and free.

Standard

For a single café that needs a fast counter and clean books.

₱1,499 / month / branch

Unlimited staff accounts

Email & chat support

POINT OF SALE

- ✓ POS for dine-in & take-out, split tender and receipts
- ✓ Sales history, voids and reprints
- ✓ Customers with Boundary Rewards loyalty

MENU, INVENTORY & PURCHASING

- ✓ Products & categories with photos
- ✓ Inventory, stock levels and stock count
- ✓ Purchase orders, goods receiving (GRN) and suppliers

CASH & REPORTS

- ✓ Cash sessions, cash counts and petty cash
- ✓ Expenses and expense categories
- ✓ Daily summary, sales, inventory and expense reports
- ✓ Tabbed analytics dashboard

ADMINISTRATION

- ✓ Users, roles and module access
- ✓ System settings and activity logs
- ✓ Custom domain & branding

Advance

RECOMMENDED

For a growing restaurant that needs to track food costs and run promotions.

₱2,499 / month / branch

Unlimited staff accounts

Priority support

EVERYTHING IN STANDARD, PLUS

- + Recipes & ingredient costing, with automatic stock deduction
- + Ingredient usage report
- + Product variants, add-ons and bundles / meal sets
- + Losses & damages, and stock transfers between branches
- + Promos & discounts, shown on the POS and storefront
- + Loyalty tiers and birthday bonus points
- + Priority support with daily backups

Free modules & monthly add-ons

These modules come free with every plan. Paid add-ons are priced per branch, so turn on only what each branch needs.

FREE WITH EVERY PLAN

FREE

Loyalty Rewards

Points on every purchase, redeemable at the POS and online.

FREE

Custom Domain & Branding

Your own web address, SSL, and your logo and colours.

FREE

Analytics Dashboard Pro

Tabbed dashboard for sales, inventory, customers and orders, plus the expense report.

FREE

Purchasing & Suppliers

Purchase orders, goods receiving (GRN) and a supplier directory.

MONTHLY ADD-ONS

ADD-ON	PRICE	STANDARD	ADVANCE
Online Storefront Customer ordering website with sign-up and login, Mabinay delivery-zone map, live order tracking, and an online orders board for staff.	₱279 / mo	Add-on	Add-on
Table Ordering Waiters take orders on a phone by table number. Orders go to the cashier as pending, and you manage the dining-table layout.	₱199 / mo	Add-on	Add-on
E-Payment Integration (PayMongo) Accept GCash, Maya, cards and QR Ph online and at the counter through PayMongo. Payments are confirmed automatically on the order.	₱249 / mo	Add-on	Add-on
Promos & Discounts Percentage, fixed and item promos with schedules. Promos appear automatically on the POS and the storefront.	₱129 / mo	Add-on	Included
Recipe & Ingredient Costing Recipes, automatic ingredient deduction on every sale, an ingredient usage report, and losses & damages.	₱199 / mo	Add-on	Included
Priority Support & Daily Backup Same-day response during business hours and daily off-site backups. Standard plans get weekly backups.	₱149 / mo	Add-on	Included

Each branch is billed for its own plan plus the add-ons switched on for that branch. Staff accounts are unlimited on every plan. PayMongo's own transaction fees are charged by PayMongo per payment.

03 · TERMS

Terms & conditions

- 01** Prices are in Philippine Peso. They exclude any applicable government taxes.
- 02** Billed monthly in advance, per branch. Payment is due within 5 days of the invoice, by GCash, bank transfer or cash.
- 03** Hosting is included. Cloud server, SSL, system updates, bug fixes and backups are part of every plan.
- 04** No lock-in. Cancel with 30 days' written notice. You get a full export of your data on request.
- 05** Flexible add-ons. Add or remove add-ons anytime. Changes apply from the next billing cycle.
- 06** Unlimited staff. Add as many cashier, waiter and admin accounts as you need at no extra cost.
- 07** Payment fees. PayMongo transaction fees are charged by PayMongo and are separate from this subscription.
- 08** Hardware is not included. Tablets, phones, receipt printers and cash drawers are provided by the client.
- 09** Your data is yours. Customer and sales data belongs to Boundary Café and is never shared.
- 10** Validity. This quotation is valid until November 4, 2026.

04 · ACCEPTANCE

Conforme

Please sign below to confirm the selected plan and add-ons for each branch. We will schedule setup and staff training after we receive your signed copy.
